This schedule is intended to convey the general MDACC "standard" products used in the indicated room types to assist with the **Design Development phase only** of renovation or new construction projects. Finish legends and room finish schedules for construction documents **MUST** be reviewed and approved by the MDACC Planner/Designer assigned to the project. All Planner/Designers are responsible for verifying the information herein for accuracy. Contact Facilities Planning, Design and Construction/Facilities Planning Services (FPS) at ext. 2-2207 to clarify "special" finishes and applications.
